

American Home Elevator Co.

Since 1976

From a cost estimate to the final punch list American Home Elevator is your complete residential and commercial lift service and installation company.

The American Home Elevator Company offers Elevators for Churches & other Places of Worship throughout Ohio.

American Home Elevator Company has worked with over 500 church / place of worship organizations to install their chairlifts and elevators. An elevator installed in your place of worship will allow parishioners to easily maneuver throughout the building.

American Home Elevator Company has experience with over 500 church / worship elevator installations

We supply your church / place of worship with lift specifications- sizes, drawings, weight limits, speed and power requirements

We will work with your church or place of worship to meet all specific ADA requirements

See what other churches are saying:

"In 2001, American Home Elevator Co. installed an elevator in our church. We have been thoroughly satisfied with the elevator and service we have received!"
- Haskins Community Church-Haskins, OH

"Your company has done a good job of servicing and maintaining the elevator. Always very prompt, friendly and helpful when we need service."
- North Mt. Zion Church-Continental, OH
